## *House of Representatives* *Restoring Benefits Owed to Filipino Vets*

**HON. BOB FILNER**  
OF CALIFORNIA  
IN THE HOUSE OF REPRESENTATIVES

**MR. FILNER:** Mr. Speaker and colleagues, I rise today to ask for the support of my colleagues for H.R. 664, ``The Health Care for Filipino World War II Veterans Act."

Almost 60 years ago, President Franklin D. Roosevelt drafted the soldiers of the Philippines into service in World War II, because the Philippine was a territory of the United States at that time. Fighting side-by-side with soldiers from the United States mainland, the Filipino soldiers were instrumental in the successful outcome of the war. However, shortly after the war's end in 1946, Congress passed the Rescissions Act, which took away promised benefits from many of the Filipino veterans and declared that their service was deemed not to be service in the military forces of the United States.

We owe not only a debt of gratitude to these brave veterans, but we owe them recognition as veterans of the United States military. And we owe them the benefits they were promised! Now in their 70s and 80s, they are in desperate need of health care, and approximately five veterans are dying each day.

I have introduced H.R. 664 with a number of original co-sponsors from both parties, including Congressmembers Simmons, Evans, Cunningham, Pelosi, Issa, Rohrabacher, Abercrombie, Millender-McDonald, Tiahrt, Lofgren, and Scott. This bill would provide access to VA medical facilities for the Filipino veterans who are now living in the United States and would restore the designation of veteran to these brave men.

The Secretary of Veterans Affairs, Anthony Principi, testified in a June 13, 2002 hearing before the VA Health Subcommittee in support of H.R. 4904, the version of this bill in the 107th session. The House of Representatives passed these health care benefits on July 22, 2002 but they were unable to get passed by the Senate before adjournment of last year's session. Senator Inouye has reintroduced a similar bill in the 108th session in the Senate (S. 68).

There is overwhelming support for H.R. 664. We must quickly pass this bill to begin the process of restoring benefits that are deserved by the Filipino World War II veterans.
